Practice worksheet | Linear equations and graphs

Horizontal/vertical lines

Name: _____ Date: _____

6 questions | 12 marks

1. Give two points on $y = 4$. [2 marks]

2. Give two points on $x = -1$. [2 marks]

3. Which line is vertical: $x = 5$ or $y = 5$? [2 marks]

4. A horizontal line passes through $(4, -3)$. Give its equation. [2 marks]

5. A vertical line passes through $(-4, 2)$. Give its equation. [2 marks]

6. Where do $x = 2$ and $y = -3$ intersect? [2 marks]
